Enrollment and eligibility

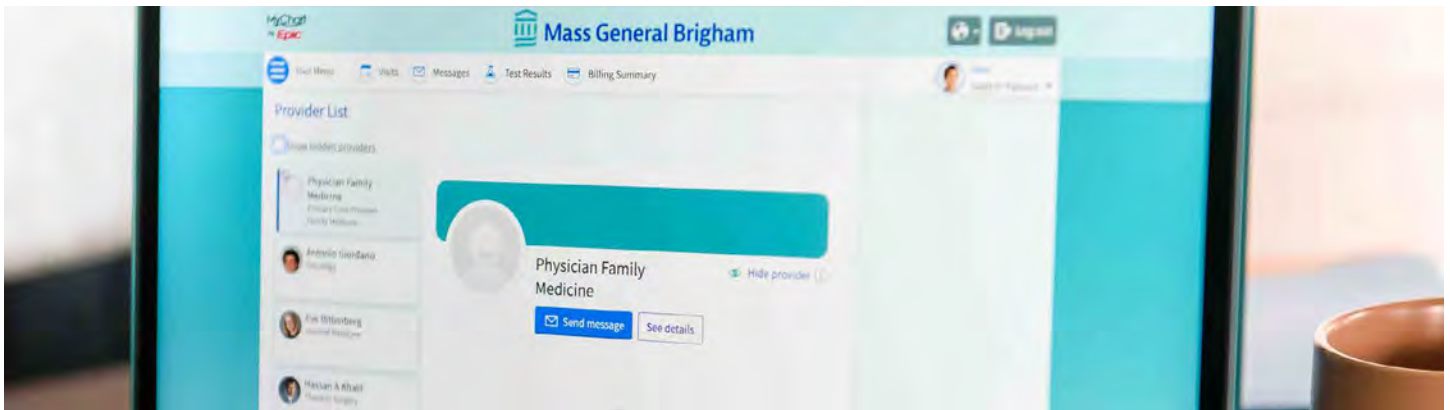

To have coverage, you must enroll for benefits within 30 days of your hire date. If you enroll within this time, your benefits will be effective as of your date of hire. Medical/dental/vision plans may be elected for employee only, employee and legal spouse*, employee and children (who are under the age of 26, or children over the age of 26 if the child is deemed disabled), or family. Fellows scheduled to work at least 87 hours per month at a standard hospital salary for at least \$10,000 annually are eligible for benefits. You may be asked to provide dependent eligibility verification documents such as a marriage certificate, birth/adoption certificates or legal guardianship court paperwork. Please note that if you do not enroll within 30 days of your benefits eligibility date, you will be automatically defaulted to your current 2023 plan election(s) for medical, dental and vision at your current coverage tier and 2024 plan costs. You will have an opportunity to change your coverage the next Open Enrollment period (unless you experience a qualifying life event).

* Mass General Brigham does not cover former spouses or domestic partners.

Qualifying life event

Outside of your new hire and Open Enrollment in the fall, the only other time you can make changes to your benefits is within 30 days of a qualifying life event.* Examples of a qualifying life event include marriage, divorce or the birth or adoption of a child. If you have a qualifying life event, you have 30 days from the event to make changes in employee self service. Your benefit change must be consistent with your change of status. If you have a baby, for example, you may change your medical coverage level from employee to employee and family within 30 days of your child's birth.

* Retirement plan contributions can be updated at any time throughout the year.

Medical plans administered by Mass General Brigham Health Plan

Mass General Brigham offers two health plans, the Select and Plus plans, administered by Mass General Brigham Health Plan. The Select and Plus health plans use the UnitedHealthcare Options PPO Network for nationwide coverage. When you or your dependents need access to care outside Massachusetts, New Hampshire and Rhode Island, you will have access to more than 1 million providers and 5,200 hospitals nationwide. In New Hampshire and Rhode Island, the UnitedHealthcare Options PPO Network supplements the Mass General Brigham Health Plan network. You pay less when you see providers in the Tier 1 network.

Regardless of which plan you choose, you do not need to obtain referrals to see a specialist and your plan does not require you to have a primary care physician, but we encourage you to have one.

The plans: Select and Plus

- 1** The **Select plan** is a tiered plan that offers low-cost, high-quality care from providers within the Mass General Brigham community (Tier 1). The plan also gives you the choice of seeking care from in-network providers outside of Mass General Brigham (Tier 2). These in-network providers will have a higher cost share than those within the Mass General Brigham community. The Select plan offers lower per-paycheck premium deductions than the Plus plan. Employee only coverage under the Select plan is 100% subsidized by Mass General Brigham and there is no paycheck deduction for the cost of coverage. Additionally, the cost of all other tiers of coverage are reduced by the cost of employee only Select coverage.
- 2** The **Plus plan** offers the same comprehensive coverage as the Select plan but also provides coverage for providers outside the Mass General Brigham Health Plan network. An out-of-network provider does not have a contractual agreement with Mass General Brigham Health Plan. Your per-paycheck costs are higher with Plus than with Select.

You may want to consider the **Select plan** if you mostly see providers in the Tier 1 network. Several services do not have tiered coverage, including speech therapy, mental health services, substance use disorder treatment, chiropractic services, physical and occupational therapy. This means you will pay the Tier 1 cost sharing if you see a network provider.

You may want to consider the **Plus plan** if you and your adult family members use mostly non-Mass General Brigham providers in the Tier 2 network, or you use out-of-network providers.

* Tiering does not apply for employees who live out-of-area, so Tier 1 cost-sharing applies to all services delivered by a network provider (Tier 1 or Tier 2).

You can search the [provider directory](#) to see if your physicians are within the Mass General Brigham Health Plan network, without having to log in to the Mass General Brigham Health Plan [website](#).

See the tables below for cost sharing. Please note, this document contains a brief explanation of benefits only.

Plus plan	Tier 1	Tier 2	Out-of-network
Preventive	\$0	\$0	Not covered
Co-payments	PCP/Pediatric \$15 Specialist \$30	PCP \$45 Pediatric \$30 Specialist \$70	Plan pays 70% after deductible
Deductible	\$0	\$1,000/\$2,000	\$2,000/\$4,000
OOP (out-of-pocket max.)	\$2,500/\$5,000	\$4,000/\$8,000	\$5,000/\$10,000
ER co-payment	\$200 (waived if admitted)		
High cost Dx (PET, CT, MRI)	\$50 co-payment	Plan pays 85% after deductible	Plan pays 70% after deductible

Select plan	Tier 1	Tier 2
Preventive	\$0	\$0
Co-payments	PCP/Pediatric \$15 Specialist \$30	PCP \$70 Pediatric \$30 Specialist \$100
Deductible	\$0	\$4,000/\$8,000
OOP (out-of-pocket max.)	\$2,500/\$5,000	\$5,000/\$10,000
ER co-payment	\$200 (waived if admitted)	
High cost Dx (PET, CT, MRI)	\$50 co-payment	Plan pays 70% after deductible

Prescription drugs

When you enroll in a medical plan, your prescription drugs are covered by CVS/Caremark.

Up to a 30-day supply			90-day maintenance drug supply		
\$10 co-pay Generic drugs	\$40 co-pay Preferred brand-name	\$70 co-pay Non-preferred brand-name	\$20 co-pay Generic drugs	\$80 co-pay Preferred brand-name	\$140 co-pay Non-preferred brand-name

Your prescription drug plan includes an out-of-pocket maximum that limits how much you will have to pay in prescription drug co-payments during the calendar year. Your prescription out-of-pocket maximum depends on your level of medical coverage (for example, individual or family) and your salary and is reevaluated each January 1.

	Salary level	Out-of-pocket maximum levels
Annual prescription drug out-of-pocket maximum 	Under \$50,000	\$300 individual coverage/ \$600 for all other levels
	\$50,000 to \$100,000	\$1,000 individual coverage/ \$2,000 for all other levels
	Above \$100,000	\$2,000 individual coverage/ \$4,800 for all other levels

The prescription drug out-of-pocket maximum is embedded for individuals. This means that no one member will pay more than the designated individual amount out-of-pocket.

Dental plans through Delta Dental of MA

We offer two plan choices, Basic or Major. Routine cleanings and diagnostic services are covered 100%. There is an annual benefit maximum per covered person of **\$1,000 for Basic** or **\$2,000 for Major**. The Major Plan also covers a portion of orthodontia. Healthcare and dependent care flexible spending accounts (FSA)

Mass General Brigham offers its employees both a healthcare FSA and a dependent care FSA through HealthEquity/WageWorks.

A **healthcare FSA** is an account you put pre-tax money into that you use to pay for certain out-of-pocket healthcare costs, such as co-payments, deductible, coinsurance, vision care expenses and dental expenses. You can contribute up to \$3,050 in 2024*. You will be issued a debit card from HealthEquity/WageWorks that you can use at your local pharmacy or doctor’s office. The amount that you elect to go into your FSA will be frontloaded, meaning you will have access to the full amount up front. In 2024 the healthcare FSA grace period will be replaced by a rollover feature. Up to \$610* of unused funds elected for 2024 can rollover to 2025. Unspent 2024 funds above \$610* will be forfeited.

A **dependent care FSA** is an account you put pre-tax money into that you use to pay for eligible child and elder care (day care) expenses. The maximum amount you can put into the dependent care FSA for 2024 is \$5,000*. The dependent care FSA will continue to have a grace period to incur 2024 expenses through March 15, 2025 and submit for reimbursement until March 31, 2025.

*Subject to change following IRS announcement of the FSA contribution and rollover limit.

Planning for your future

Mass General Brigham wants to help you prepare for your future by offering a 403(b) Retirement Savings Plan and a Retiree Medical Savings Account.

403(b) Retirement Savings Plan

The **403(b) Retirement Savings Plan** (also known as the 403(b) Plan), allows you to supplement your retirement income while enjoying tax-deferred savings.

- You are eligible to make employee contributions immediately upon hire.
- You are also eligible for a 2% employer non-elective contribution if you are age 21 or older and scheduled 20 or more standard hours per week.
- Employer non-elective contributions will be made semi-annually in January and July, 2024 based on eligible compensation earned during the prior 6 months.
- The requirement to be scheduled 20 or more hours per week will be waived for semi-annual contributions in January and July, 2024.
- The employer non-elective contribution will be made as a per pay period contribution, rather than a semi-annual contribution, as soon as administratively feasible after July 1, 2024.

403(b) Retirement Savings Plan facts

- ✓ You may change your deferral rate at any time of the year.
- ✓ You do not need to make voluntary contributions to the 403(b) Plan to receive the employer non-elective contribution.
- ✓ You may choose Traditional (pre-tax) and/or Roth (after-tax) contributions.
- ✓ You are always immediately vested in your contributions. You will be vested in your employer non-elective contributions after completing three years of service (years in which you are paid at least 1,000 hours).
- ✓ You elect how your account is invested by choosing from a wide range of investments available through Fidelity and TIAA. If you do not make an investment election when you enroll, your account will be invested automatically in the Vanguard Target Retirement Date Fund closest to the year in which you turn 65.

Supporting you in other ways
